
Claire Winston - Date: 12-21-1997 - Detective Mark Dole

Case No. 659150

- 1 **Detective Dole:** Claire first off I want to offer my condolences.
- 2 **Claire Winston:** OK, Thank you
- 3
- 4 **Detective Dole:** Of course I am trying to figure out what could have happened here
- 5 and who would do something like this to Julietta. Who do you think did this?
- 6 **Claire Winston:** I don't know.
- 7
- 8 **Detective Dole:** Do you think her boyfriend Johnny could have done this?
- 9 **Claire Winston:** I wouldn't put anything past anybody but I don't think so.
- 10
- 11 **Detective Dole:** Was there anything going on with you and her boyfriend Johnny?
- 12 **Claire Winston:** No.
- 13
- 14 **Detective Dole:** I have been told that you have been on a few dates with him.
- 15 **Claire Winston:** That doesn't mean anything.
- 16
- 17 **Detective Dole:** So your sister was aware of this. I take it you didn't get along?
- 18 **Claire Winston:** No we didn't. And she didn't deserve a guy like Johnny. She was
- 19 crazy. She claims I was following him around town and showing up to the same
- 20 hangouts he was at.
- 21
- 22 **Detective Dole:** Is there any truth to that?
- 23 **Claire Winston:** No.
- 24
- 25 **Detective Dole:** Tell me about your mother Amanda.
- 26 **Claire Winston:** She had a lot of money. She just recently passed away and she
- 27 played favorites with Julietta.
- 28
- 29 **Detective Dole:** What makes you think that?
- 30 **Claire Winston:** Oh trust me she did. Once my car broke down and I was without a
- 31 car for the entire month because I don't have any money. Julietta's car has the
- 32 most minor issue and my mother would buy her a new car.
- 33
- 34 **Detective Dole:** That does seem slightly odd. Did your mother have a will or did
- 35 she have a life insurance policy?
- 36 **Claire Winston:** I know she had a will but I am not sure about life insurance.

36 **Detective Dole:** OK I will have somebody look into that but back to your sister.
37 Have you ever been to Julietta's apartment?
38 **Claire Winston:** Yea I've been there.
39
40 **Detective Dole:** Did you know her door code?
41 **Claire Winston:** I think I know what the door code is. Why would that matter?
42
43 **Detective Dole:** Well as of right now we don't see any other way for whoever did
44 this awful thing to Julietta to have entered the building.
45 **Claire Winston:** Wait, are you accusing me of killing my sister?
46
47 **Detective Dole:** At the moment no, but there are some things here that make it
48 hard to rule you out. You clearly were envious of her. Seems like there is a bit
49 of a love triangle between her, you, Johnny. If she is out of the way you could
50 be with Johnny right? Sounds like a pretty strong motive.
51 **Claire Winston:** That is so wrong. Are you kidding me? I didn't get along with her
52 and I sure as heck wouldn't kill her for a guy. Give me a break.
53
54 **Detective Dole:** You are one of very few people that have access to that building.
55 **Claire Winston:** I have no reason to have killed my sister. Yea we didn't get
56 along but I am not a murderer.
57
58 **Detective Dole:** I would like to know your whereabouts this past Friday evening.
59 **Claire Winston:** Friday night I was out with friends.
60
61 **Detective Dole:** Did you go anywhere near your sister's apartment or see your
62 sister Friday night?
63 **Claire Winston:** No.
64
65 **Detective Dole:** You did not drive anywhere near your sisters apartment Friday?
66 **Claire Winston:** No. I haven't seen my sister in weeks.
67
68 **Detective Dole:** OK Claire I will be looking into this to see if this all checks
69 out. I will be in touch with you. I have many more questions to ask and there are
70 a lot of unknowns right now that just don't seem to add up.
71 **Claire Winston:** Ok you do what you have to do.
