The night of 12-19 I went to eat dinner with a good friend at the Beef Steak Co. I would say we got there about 5 oclock. That must have taken an hour or so. After dinner we both went to see the new Titanic movie. That was at 7pm. I was with my friend the entire time. When the movie ended we hung around in the parking lot waiting for all the cars to clear. Then we both went our own ways, mine was home. I spent the rest of the night at home and just went to bed.
