[Signed Statement]:

Please explain your whereabouts at this time and date: December 19, 1997 10pm-12am

December 19th I did spend most of the day with Julietta. However at the time she was murdered I was not with her. I went to a bar that evening and met some friends. I left her around 10pm and there was nothing wrong with her. She was alive and well. I left because we had a small argument and I just wanted to get away. After the bar closed I came back to her apartment to make up with her.

That's when I found her on the floor. I called 911 right away and they arrived pretty fast. I was completely crushed that this has happened to her.
