[Signed Statement]:

Please explain your whereabouts at this time and date: December 19, 1997 10pm-12am

I worked that entire day. We have multiple apartment buildings that I have to constantly visit to stay on top of. There's always maintenance because these are all older buildings. We are in the process of restoring another vacant apartment over on main st. which is where I was. I was there from roughly 8pm until midnight.
